Subpart B—Eligibility Standards

§ 302.201 Persons entitled to veteran preference.

In actions subject to this part, each agency shall grant veteran preference as follows:

(a) When numerical scores are used in the evaluation and referral, the agency shall grant 5 additional points to preference eligibles under section 2108(3) (A) and (B) of title 5, United States Code, and 10 additional points to preference eligibles under section 2108(3) (C) through (G) of that title.

(b) When eligible candidates are referred without ranking, the agency shall note preference as “CP” for preference eligibles under 5 U.S.C. 2108(3)(C), as “XP” for preference eligibles under 5 U.S.C. 2108(3) (D) through (G), and as “TP” for all other preference eligibles under that title.

§ 302.202 Qualification requirements.

Before making an appointment to a position covered by this part, each agency shall establish qualification

standards such as those relating to experience and training, citizenship, minimum age, physical condition, etc., which shall relate to the duties to be performed. An agency may delegate the establishment of standards relating to a group of positions or a specific position to the appropriate administrative level or subdivision in accordance with the needs of the locality in which the position is located, but the agency shall determine that each standard established is in conformity with this part. Each agency shall make its standards a matter of record in the appropriate office of the agency, and shall furnish information concerning the standards for a position to an applicant on his/her request. Each agency shall apply the standards for a position uniformly to all applicants, except for such waivers as are provided in this part for a preference eligible. An agency shall not include a minimum educational requirement in qualification standards, except for a scientific, technical, or professional position the duties of which the agency decides cannot be performed by a person who does not have a prescribed minimum education. An agency shall not establish a maximum age requirement for any position. Each agency shall make a part of its records the reasons for its decision under this section and shall furnish those reasons to an applicant on his/her request. The qualification standards shall include:

(a) A provision for waiver by the agency of requirements as to age, height, and weight for each preference eligible when the requirements are not essential to the performance of the duties of the position; and

(b) A provision for waiver by the agency of physical requirements for each preference eligible when the agency, after giving due consideration to the recommendation of an accredited physician, finds that the applicant is physically able to discharge the duties of the position.

§ 302.203 Disqualifying factors.

(a) The qualification standards established by an agency or by an administrative level or subdivision of an agency may provide that certain reasons

disqualify an applicant for appointment. The following, among others, may be included as disqualifying reasons:

(1) Dismissal from employment for delinquency or misconduct;

(2) Criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct;

(3) Intentional false statement or deception or fraud in examination or appointment;

(4) Habitual use of intoxicating beverages to excess;

(5) Reasonable doubt as to the loyalty of the person involved to the Government of the United States;

(6) Any legal or other disqualification which makes the individual unfit for service; or

(7) Lack of United States citizenship.

(b) An agency may not disqualify an applicant solely because of his/her retired status.

Subpart C—Accepting, Rating, and Arranging Applications

§ 302.301 Receipt of applications.

(a) Each agency shall establish definite rules regarding the acceptance of applications for employment in positions covered by this part and shall make these rules a matter of record.

(b) Each agency shall apply its rules uniformly to all applicants who meet the conditions of the rules and shall furnish information concerning the rules to an applicant on his/her request.

§ 302.302 Examination of applicants.

(a) *Eligibility.* An evaluation of the qualifications of applicants for positions covered by this part may be conducted at any time before an appointment is made. The evaluation may involve only determination of eligibility or ineligibility or may include qualitative rating of candidates. If the evaluation involves only basic eligibility numerical scores will not be assigned and eligible candidates will be referred in accordance with the procedures described in paragraph (b)(5) of § 302.304. If qualitative ranking is desired, numerical scores may be assigned in accord-

ance with paragraph (b) of this section. Each agency shall make a part of the records the reasons for its decision to use ranked or unranked referral and, for ranked actions, the quality ranking factors used. This information shall be made available to an applicant on his/her request.

(b) *Rating.* Numerical scores will be assigned on a scale of 100. Each applicant who meets the qualification requirements for the position established under § 302.202 will be assigned a rating of 70 or more and will be eligible for appointment. Candidates scoring 70 or more will receive additional points for veteran preference as provided in § 302.201. Numerical ratings are not required when all qualified applicants will be offered immediate appointment. When there is an excessive number of applicants, numerical ratings are required only for a sufficient number of the highest qualified applicants to meet the anticipated needs of the agency within a reasonable period of time. The agency must, however, adopt procedures to insure the consideration of preference eligibles in the order in which they would have been considered if all applicants had been assigned numerical ratings. An agency shall furnish a notice of the rating assigned to an applicant on his/her request.

(c) *Nonpreference applicants for certain positions.* An agency may not consider or rate an application for the position of elevator operator, messenger, guard, or custodian submitted by a nonpreference eligible as long as at least three qualified preference eligibles are available for the position.

(d) *Evaluating experience.* When experience is a factor in determining eligibility, an agency shall credit a preference eligible (1) with time spent in the military service of the United States if the position for which he/she is applying is similar to the position which he/she held immediately before his/her entrance into the military service; and (2) with all valuable experience, including experience gained in religious, civic, welfare, service, and organizational activities, regardless of whether pay was received therefor.
